

Company Name:	m-Chinese Solution Limited
Posting Date:	10 May 2024
Category:	ITC STEM Internship Scheme
Company Overview:	m-Chinese Solution Ltd (mLang) is a digital learning platform that offers innovative educational services to enhance student engagement and learning effectiveness. By integrating VR and AI technologies, mLang provides a multi-modal 'form-sound-meaning' approach to learning Chinese language and culture. The platform offers diverse learning experiences, including explorations of Chinese and Egyptian history and culture, as well as space technology adventures. mLang also provides school-based Chinese language curriculum support for ethnic minority students and utilizes big data through its 'Learning Analytics' feature to analyze student progress and provide instructional recommendations to teachers.
