

Company Name:	Nut Limited
Posting Date:	13 May 2024
Category:	ITC STEM Internship Scheme
Company Overview:	Nut Limited operates globally with its main operation centers in Hong Kong and Singapore, and we are also a participant in the Cyberport Incubation Program. Within just six months of its formation, the company successfully launched its first product, HashNut crypto payment. Building on this achievement, Nut Limited became a trailblazer by introducing the world's first genuine Web3 business payment solution. As time progressed, the company integrated additional features and toolsets to further enhance the adoption of its products. Today, HashNut products are widely acknowledged as the simplest, fastest, and most secure Web3 crypto payment solutions available for businesses.
