| Company Name: | Pokeguide Limited |
| Posting Date: | 13 May 2024 |
| Category: | ITC STEM Internship Scheme |
| Company Overview: | Pokeguide Limited is an award-winning start-up providing the best navigation to people in Asia. With Pokeguide app, users can search how to go from one place to another by subway, bus, minibuss, and even free shuttle bus – the vast coverage of transportation ever in Hong Kong! With our augmented reality (AR) navigation, we show you the way directly to the destination without reading the map. We have gained good market traction with over 300,000 users, won the Hong Kong ICT Gold Award (Best Mobility) and Asia Pacific ICT Merit Award (Smart Tourism) in 2018, Gold Award of Asia Smart App Awards and COVID-19 Global Hackathon in 2020. You can experience our mobile app here: https://www.pokeguide.com |

| Position/Title: | Spatial Data Management Specialist (Summer) |
| No. of vacancy(ies): | 1 |
| Proposed Internship Duration: | 90 days |
| Job Description & Requirements: | <p>Job Description</p> <ul style="list-style-type: none"> As one of the leading navigation app and smart city tech in Asia, we are seeking a motivated person to join our team to be responsible for managing our spatial data in east Asia excluding China. You will be responsible for: Develop and implement data collection strategies to ensure data accuracy and completeness. Collect, analyze, and manage spatial and transportation data to maintain data accuracy and integrity. Cross-check data with real life observation and user-generated review. Provide support and expertise on spatial data and transportation related matters. <p>Job Requirements</p> <ul style="list-style-type: none"> Full-time students, no preference on any major / curriculum / school. Interest on either public transportation, geography, GIS or smart city initiatives is an advantage. Strong analytical and problem-solving skills, and pay attention to details. Not just come here to kill time, brush up the CV or have a regular boring simple job, but rather love to handle dynamic, ever-changing and challenging project tasks. Energetic, fast learner, responsible, self-motivated, able to accomplish deadlines and able to develop himself in an open and entrepreneurial environment. GPA is not an assessment criterion, attitude and enthusiastic in changing people's lives is the key. Both local and international students are welcome. |
| Internship Period: | <p>Summer Term 2024</p> <p>Full-time placements with a duration of no less than 4 consecutive weeks (28 calendar days)</p> |
| How to Apply: | <p>Please read the application guidelines to ensure that you could fulfill the scheme requirements prior to applying for the intern(s).</p> <p>If you are enthusiastic about joining us, please fill in the online registration form below and follow the instructions there to submit your CV before the deadline: 11:59pm. 26 May, 2024 (Sunday). https://www.pokeguide.com/recruitment/SDMSS/apply</p> |
