

Company Name:	Areix Analyitcs Limited
Posting Date:	9 May 2024
Category:	ITC STEM Internship Scheme
Company Overview:	AREIX is an award-winning FinTech company that develops simple and high performance financial management services for both sophisticated and novice investors. Our offerings solve the challenge of users that cannot access returns from sophisticated strategies due to the complexity of backtesting automated models and implementing risk management practices. Founded in HKSTP, AREIX is now backed by international accelerators, such as the 500 Global and the AppWorks. Having achieved 30+ accolades since 2020, AREIX is an innovative pioneer in the area of web3.0 fintech. AREIX is now leveraging its technology and expertise to build an open, user-centric and trustworthy ecosystem.
