Company Name:	Clever Jai Technology Limited
Posting Date:	13 May 2024
Category:	ITC STEM Internship Scheme
Company Overview:	The platform we built - PrepAce aims to provide assessment and answering services by using AI to assess exams and homework and answer students' questions 24/7. It can (1) help students master the skills of handling public examinations, (2) serve as a Teaching tool that enables teachers to manage students' learning situations, and (3) replace some of the highly repetitive tasks of teachers so that teachers can allocate time to more valuable tasks.
Company Website:	https://prepaceai.com/hk
Position/Title:	Junior Web Developer Intern
No. of vacancy(ies):	3
Proposed Internship Duration:	90 days
Job Description & Requirements:	**Job Description** • Build new web or mobile apps from scratch. • Participate in discussions, planning, and brainstorming sessions for different digital products. • Receive coaching and guidance from senior developers through mentorship, standup meetings, and code reviews. • Follow the development process, including using tools such as GitHub, Pull Request review, retrospective code review, issue tracking in sprints cycle, and CI with GitLab. • Demonstrate technical excellence and coach others to grow into a leadership role. • Contribute to improving our tech and development process. **Job Requirements** We write code in the following tech stacks, you don't have to know all of these coming in. But if you know some of them, you can better handle our tasks. • Backend: Python, Go, TypeScript, C#, Rust, RoR Web • Frontend / PWA: React.js, Vue.js, Flutter, Stimulus • Storage / Cache: PostgreSQL, MySQL, Redis, Elastic Search • Mobile: Native iOS (Swift), Android (Kotlin), React Native, Flutter • Tools: Basecamp, Slack, GitHub, zube.io • DevOps: Docker, K8s, GitHub Actions, Makefile
Internship Period:	Summer Term 2024 Full-time placements with a duration of no less than 4 consecutive weeks (28 calendar days)
How to Apply:	**Please read the application guidelines to ensure that you could fulfill the scheme requirements prior to applying for the intern(s).** Interested students should submit your application directly to the employer with your CV at your earliest convenience. Email to team@prepaceai.com Application Deadline: 24/05/2024
Salary / Hourly Rate:	HK$11,190 per month, capped at three months (i.e. 90 days, maximum at HK$33,570) in one academic year under ITC STEM Internship Scheme For Summer 2024 Internships, the allowance is estimated to be disbursed in December 2024.

Once confirm the internship offer:	Student interns who confirm the internship offer are required to*:
	   (1) submit declaration form which is available on [SDSC's website](#) **before the commencement of internship**;
	   (2) declare as "Student Interns" or "Work Experience Students" if applicable for exemption of minimum wage requirement **before the commencement of internship**;
	   (3) report to SDSC via online registration form with supporting document(s) **before the commencement of internship**;
	   (4) submit the duly completed **Assessment/Evaluation Form** to SDSC for processing the allowance **upon completion of the whole internship period or the submission deadline, whichever is earlier**.
