Company Name:	CENTURY LAB INNOVATION LIMITED
Posting Date:	9 May 2024
Category:	ITC STEM Internship Scheme
Company Overview:	Century Lab Innovation is a consulting firm providing IT consultation services. We help individuals or businesses make technology purchases or strategy decisions and resolve technology challenges.
Company Website:	https://www.century-lab.com/
Position/Title:	IT Consultant and Analyst Intern
No. of vacancy(ies):	3
Proposed Internship Duration:	60 Days
Job Description & Requirements:	Job Description: Our summer IT Consultant and Analyst Internship is designed for dynamic quick learners eager to influence the success of startups by advising on both business and IT processes. This role is pivotal in identifying areas for improvement and suggesting practical IT solutions to drive efficiency and growth. No prior programming skills are needed, just a keen analytical mind and a passion for technology and business optimization. What You'll Gain: - Experience in consulting with a focus on both business and IT processes. - Insight into the operational and technological needs of startups, with the opportunity to impact their growth directly. - Engagement with a network of professionals and startups in the tech ecosystem. - Skill development in analysis, problem-solving, and strategic thinking. Job Requirements: - Analyze and understand the business and IT processes of various startups, identifying key areas for enhancement. - Provide actionable advice on both business strategies and IT solutions to optimize operations. - Work collaboratively with startups to implement technology-driven solutions that address their unique challenges. - Conduct research to stay ahead of the curve on the latest IT trends and innovations. - Develop and present comprehensive reports and recommendations that guide startups towards success.
Internship Period:	Summer Term 2024 Full-time placements with a duration of no less than 4 consecutive weeks (28 calendar days)
How to Apply:	**Please read the application guidelines to ensure that you could fulfill the scheme requirements prior to applying for the intern(s).** Interested students should submit your application directly to the employer with your CV at your earliest convenience. If you are interested in this position, please fill in Google form: https://forms.gle/mpm328KWweJS8xW4A.

	Email to century-lab@century-lab.com Application Deadline: 31 May 2024
Salary / Hourly Rate:	HK$11,190 per month, capped at three months (i.e. 90 days, maximum at HK$33,570) in one academic year under ITC STEM Internship Scheme For Summer 2024 Internships, the allowance is estimated to be disbursed in December 2024.
Once confirm the internship offer:	Student interns who confirm the internship offer are required to*: (1) submit declaration form which is available on SDSC's website **before the commencement of internship**; (2) declare as "Student Interns" or "Work Experience Students" if applicable for exemption of minimum wage requirement **before the commencement of internship**; (3) report to SDSC via online registration form with supporting document(s) **before the commencement of internship**; (4) submit the duly completed **Assessment/Evaluation Form** to SDSC for processing the allowance **upon completion of the whole internship period or the submission deadline, whichever is earlier**. *Details will be announced in due course*
