Position/Title:	Software Engineer Intern
No. Of Vacancy(ies):	3
Proposed Internship Duration:	90 days
Job Description & Requirements:	Job Description: Welldify is seeking enthusiastic and talented Software Engineer Interns to join our technical team. As an intern, you will work closely with our CTO and engineers to develop, test, and maintain software solutions that meet the needs of our users. This is a fantastic opportunity to gain hands-on experience in a fast-paced startup environment and contribute to meaningful projects. - Collaborate with the technical team: Assist in the design, development, and testing of software applications. - Write clean, maintainable code: Follow best practices to ensure code quality and readability. - Debug and troubleshoot: Identify and fix bugs and performance issues in existing codebases. - Participate in code reviews: Provide and receive constructive feedback to improve code quality. - Learn and grow: Take advantage of mentorship and learning opportunities to enhance your skills and knowledge. Job Requirements: - Currently pursuing a degree: In Computer Science, Software Engineering, or a related field. - Programming skills: Proficiency in one or more programming languages such as Python, Java, JavaScript, or C++. - Knowledge in React Native is a plus. - Problem-solving mindset: Ability to approach complex problems with a logical and analytical mindset. - Team player: Strong communication skills and the ability to work effectively in a team environment. - Passion for technology: Eagerness to learn new technologies and continuously improve your skills. - Knowledge of web development: Understanding of HTML, CSS, and JavaScript frameworks. - Exposure to software development methodologies: Experience with Agile or Scrum practices. - Personal projects or contributions: Any relevant personal projects or contributions to open-source software.

Internship Period:	Summer Term 2024 Full-time placements with a duration of no less than 4 consecutive weeks (28 calendar days)
How to Apply:	**Please read the [application guidelines](#) to ensure that you could fulfill the scheme requirements prior to applying for the intern(s).** Interested students should submit your application directly to the employer with your CV at your earliest convenience. Email to team@welldify.io Application Deadline: 1/08/2024
Salary / Hourly Rate:	HK$11,190 per month, capped at three months (i.e. 90 days, maximum at HK$33,570) in one academic year under ITC STEM Internship Scheme For Summer 2024 Internships, the allowance is estimated to be disbursed in December 2024.
Once confirm the internship offer:	Student interns who confirm the internship offer are required to*: (1) submit declaration form which is available on [SDSC's website](#) **before the commencement of internship**; (2) declare as "Student Interns" or "Work Experience Students" if applicable for exemption of minimum wage requirement **before the commencement of internship**; (3) report to SDSC via online registration form with supporting document(s) **before the commencement of internship**; (4) submit the duly completed **Assessment/Evaluation Form** to SDSC for processing the allowance **upon completion of the whole internship period or the submission deadline, whichever is earlier**. *Details will be announced in due course*
