Position/Title:	AI Programmer(CS Chatbot)
No. of vacancy(ies):	2
Proposed Internship Duration:	59 days
Job Description & Requirements:	Job Description: Are you a university student passionate about AI and eager to apply your programming skills to real-world challenges? LemonGene Technology Limited is looking for a talented AI Programmer Intern to join our team. This internship offers a unique opportunity to work on cutting-edge AI applications aimed at enhancing our customer service capabilities. You'll be involved in developing and implementing AI-powered chatbots to handle basic user queries, reducing human workload and improving efficiency. Key Responsibilities:

- Develop AI Chatbots: Design and implement AI-driven chatbots using Python and other AI tools to address common customer service inquiries.
- Integrate AI Solutions: Work with our development team to integrate AI chatbots into our existing customer service platforms.
- Test and Optimize: Conduct testing and optimization to ensure the chatbots perform effectively and provide accurate responses.
- Collaborative Projects: Collaborate with the customer service and technical teams to identify areas where AI can further enhance customer support.
- Ad Hoc Tasks: Assist with other related tasks and projects as assigned.

Job Requirements:

- Basic Programming Skills: Familiarity with Python programming and a keen interest in AI technologies.
- Problem-Solving Mindset: Ability to think critically and solve problems effectively.
- Willingness to Learn: Eagerness to learn new AI tools and technologies.
- Team Player: Strong collaborative skills and the ability to work effectively in a team environment.

Internship Period:	Summer Term 2024 Full-time placements with a duration of no less than 4 consecutive weeks (28 calendar days)
How to Apply:	**Please read the application guidelines to ensure that you could fulfill the scheme requirements prior to applying for the intern(s).** Interested students should submit your application directly to the employer with your CV at your earliest convenience. Email to jacky_chan@lemongene.com Application Deadline: 02/08/2024
Salary / Hourly Rate:	HK$11,190 per month, capped at three months (i.e. 90 days, maximum at HK$33,570) in one academic year under ITC STEM Internship Scheme For Summer 2024 Internships, the allowance is estimated to be disbursed in December 2024.
Once confirm the internship offer:	Student interns who confirm the internship offer are required to*: (1) submit declaration form which is available on SDSC's website **before the commencement of internship**; (2) declare as "Student Interns" or "Work Experience Students" if applicable for exemption of minimum wage requirement **before the commencement of internship**; (3) report to SDSC via online registration form with supporting document(s) **before the commencement of internship**; (4) submit the duly completed **Assessment/Evaluation Form** to SDSC for processing the allowance **upon completion of the whole internship period or the submission deadline, whichever is earlier**. *Details please refer to the email "Internship - Guidelines and Procedures (Summer Term 2024)" sent on 17 May 2024*
